GENERAL SPECIFICATIONS

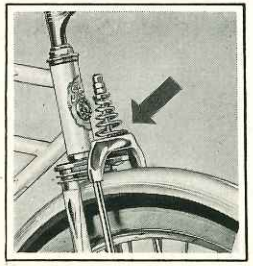
ROLLFAST offers a complete group of De Luxe, Standard, Lightweight and Juvenile Models. All are made from the finest, uniform materials tested to rigid laboratory requirements. Skilled craftsmen control each phase of the manufacturing process. Rollfast Bicycles are "Made to Last."

★

Streamlined frames, rugged quadriplate fork crowns. Crescent mudguards with long front extension. Offset cranks. Improved, easily adjusted seat post clamps. Drop-out rear fork ends simplify removal of rear wheel and chain adjustment. U. S. RUBBER double tube balloon tires. TROXEL saddles. ROLLFAST handlebars, Swan stems and rubber grips. TORRINGTON rubber pedals. DIAMOND chains. Rear red reflectors. ROLLFAST kick stands. NEW DEPARTURE front hubs. New Departure or Bendix brakes. All De Luxe electrical equipment such as fender lamps and built-in electric horns operate on self-contained batteries—no troublesome wires or conduits. Chain guards, truss forks, tanks, carriers and all other accessories are fashioned with a view to the requirements of tomorrow.

★

FINISH: Bright and lustrous baked enamel finish applied over **BONDERIZED** base previously **SAND-BLASTED**, producing a beautiful, hard and durable surface. All principal bright metal parts are **CHROMIUM PLATED.**



ROLLFAST SPRING FORK

Noiseless, precision-built unit adds COMFORT, SMOOTHNESS and SAFETY. Heavy coil spring set in rubber absorbs road shocks. Vertical action does not alter wheelbase. Adjustable to weight of rider. Chromium finish.

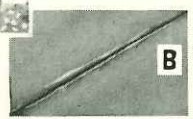
STREAMLINED BEAUTY OF AMERICAN DESIGN AND CRAFTSMANSHIP

PROTECTED AGAINST RUST

BONDERIZED

Illustrated enameled plates were scraped and subjected to 500 hour salt spray.

(A) ← Not Bonderized



(B) → **BONDERIZED** before enameling
